To all of you, the student body, the faculty and administration offers a friendly welcome.

JAMES G. MORGAN, President.

GREETINGS TO THE CLASS OF 1950!

New students are always welcome on the campus at Mansfield State Teachers College and to you, the Class of 1950, the largest Freshman Class in the history of the College, we especially extend a hearty welcome. As you begin your college life at M.S.T.C., a new era in your own life begins. We look forward to this and to your fellowship and success with us. High standards of character and cooperation have been set for you. We want you to feel happy and secure in your new surroundings. Traditionally Mansfield is known for its friendliness. Won't you help us continue this tradition by smiling and speaking to all faculty members and students you meet on campus? You, too, will find it helpful in making a good beginning.

We are happy that you have chosen to continue your education at Mansfield and shall do every thing we can to make your college life a challenging and enjoyable experience.

THE STUDENT COUNCIL.

SUGGESTIONS TO THE FRESHMEN

Here Are a Few Pointers For You,
Frosh. We Wondered, Too.

1. Don't be disturbed about the psychological examinations. They are to help you and are part of the guidance program.
2. Speak to every one. We pride ourselves on our friendliness.
3. Home Economic students never have enough magazines so it might be well to start your collection now.
4. Women students' practice rooms are on the seventh floor of North Hall and the men students practice on the fifth floor of South Hall.
5. Don't be concerned about the study hours scheduled for the first nine weeks. You will study at least that much when there are no restrictions.
6. Don't forget to bring hangers.
7. All rules have a reason for existing. Try to understand them and following them will be more meaningful.
8. We are counting on your support during the Freshman initiation. Our purpose is not to ridicule you or injure your pride, but to acquaint you with your college and familiarize you with our principles and traditions. It will be fun if you enter into it in the right spirit.

—The 1946 Sophomore Tribunal.

COLLEGE SONGS

Mansfield, Hail!
Will George Butler

Old Mansfield, high upon the eastern
hill, Dear Mansfield, hail to thee!
Thy loyal sons and daughters with a will
Salute in melody.
We bring a laurel wreath of praise,
And pledge our love thro' all the
days;
Our Alma Mater, dear, all hail to thee!
Old Mansfield, hail to thee!

The world is better for the beacon light
Which thou hast shed abroad,
Strong hearts are stronger for the testing
fight That leads men up to God.
In all the varied walks of life. In peace-
ful paths and stress of strife,
We find thy sons and daughters true to
thee.
Old Mansfield, hail to thee!

We never can forget the days we've
spent Within thy hallowed walls.
We'll learn sometime what all your les-
sons meant When larger duty calls.
For ev'ry law and rule of thine, Is made
to fit our life's design.
We'll consecrate our lives to Truth and
thee,
Old Mansfield, hail to thee!

The vision that we caught beneath thy
spell Has opened up the way
To opportunity and serving well Upon
the King's highway.
We love the mem'ry of thy ways, Strong
lads and lassies fair as fays;
Our Alma Mater, dear, all hail to thee!
Old Mansfield, hail to thee.

Red and Black Victorious

Red and Black victorious,
Push on to the goal;
Fight to gain a victory,
Mighty cheers will roll.
Fight! Fight! Fight!
Forward, never faltering,
Ours the goal to gain,
And as we march on to the victory,
Cheer for Mansfield's fame.
Rah! Rah! Rah!

Mansfield Victory

George Sallade Howard

Mansfield, Mansfield, fight, for her fame
Touchdown, Touchdown, make that your
aim
Let us fight on to reach the goal,
Let us retain our fame of ole.
And ever forward, forward, we're back-
ing you
M.S.T.C., loyal and true.

THE TOWN OF MANSFIELD

"EAST SIDE, WEST SIDE,
ALL AROUND THE TOWN."

ALL AROUND THE TOWN

Mansfield is located in Tioga County in the heart of Pennsylvania's Northern Tier, a region of forested mountains and fertile valleys once known to an earlier people as "The Garden of the Six Nations". Route 6, the Roosevelt Trail, and Route 15, the Sullivan Trail, two of the main highways of the U. S. A., intersect in Mansfield.

If a tourist should suddenly find himself at this intersection, whether to go north, south, east, or west would be a difficult decision to make. North would lead him to the beautiful Finger Lake Region; South to the great glacial moraine separating Mansfield from the Susquehanna Valley; East, to the Marie Antoinette section, the great anthracite coal fields, and the Poconos; West to the Mansfield Airport, then on to the Grand Canyon of the East, the great natural gas fields, and the historic Black Forest. It may truly be said that Mansfield is the hub of scenic trails.

If a student of M.S.T.C., and this often happens, finds himself at this intersection, the decision is not too difficult to make. It depends on the time of day. In the morning or afternoon one can walk in any direction to one of Mansfield's stores—we have two five and dimes—and do a little shopping. This can be followed by a snack at the Diner or Mansfield Restaurant. In the evening he might go to the movie and after the movie he can have a sun-

dae in the Dairy Store. The bank, the post office, the movie, the hotel, the stores, the shoe repair shops, the garages, the_ restaurants—they're all clustered about the intersection and easy to reach. You can't get lost in Mansfield. But by 10:00 p.m. there comes a time when all students have chosen to go east, back to the campus, before the doors of North Hall are locked for the night.

The Greyhound Line going east-west through Mansfield and the Lakes-to-Sea Line, north-south, furnish transportation for the residents. Daily at least four buses go east and west and two buses north and south. They, too, pass this intersection about which Mansfield is built.

STUDENT ACTIVITIES

"THE MORE WE GET TOGETHER"

STUDENT ACTIVITIES

PURPOSE AND PLAN

The Student Activities of Mansfield State Teachers College are opportunities for young men and women to express their personal interests, talents, and abilities and to secure socially constructive training and experience.

THE STUDENT COUNCIL

Each student is a member of the Mansfield Student Government Association. In order to carry on the business for this group, the student body elects fourteen students to be their representatives and serve on the Student Council. Since the Student Council plans the extra-class activities program on the campus, approves the dates for college meetings, and sends students' opinions to the Administrative Council, the members are eager to serve the students well. The Council seeks the cooperation of each student and is pleased to receive suggestions. The success of Student Government depends on the interest and enthusiasm of each student in campus activities.

SOCIAL ACTIVITIES

Dances, parties, receptions, teas, formal and informal, provide wholesome recreation and entertainment for the student and at the same time present an opportunity for him to orient himself to cooperative living and social poise.

ATHLETIC ACTIVITIES

Athletic activities on campus are returning to a normal peace-time status. Intercollegiate football, basketball, and baseball games have been scheduled for 1946-1947.

In addition to the intercollegiate program the students have a lively interest in intramural athletics. Tournaments and class competitions afford each student opportunity to participate in his favorite sport. Among the most popular are tennis, swimming, basketball, volleyball, softball and bowling.

ORGANIZATIONS

Honor Fraternities

Kappa Delta Pi: Juniors having six and Seniors having twelve semester hours of education and who are ranking in the upper quarter of their class are eligible to this national Education honorary society. The aims of KDP are to set up worthy scholastic and professional ideals to recognize outstanding work in the field of teaching and to establish teaching on a higher plane in American professional life. Students feel that it is a distinct honor to be invited to join this educational honorary fraternity.

Lambda Mu is a local music sorority whose ideals are high standards of musicianship, scholarship, sisterhood, and character. Any woman student in the music department, who is at least a second semester Sophomore and has an average of B in her music studies and C in her academic studies, is eligible and

may be pledged to membership. One of the outstanding activities of the sorority is the annual Christmas program.

Phi Mu Alpha Sinfonia is a national musical fraternity for men who are making music their profession and those who take an active interest in music as an avocation. The aims of this fraternity are to advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members and to encourage loyalty to the Alma Mater. Beta Omicron Chapter, founded in 1931, is again growing to full strength after having been inactive during the war years.

Phi Sigma Pi is a national Education fraternity for men in teacher-preparation institution. Its ideals are character, knowledge and fellowship. Its personnel is limited to men of superior scholastic, professional, and social standing, who have spent at least one year at the College.

Pi Kappa Epsilon is a local honorary homemaking sorority attempting to stimulate cultural and inspirational, as well as, professional growth. According to definite scholarship and character requirements, members are selected from homemaking students who have at least attained the ranking of second semester sophomores. The aim of every member in this organization is a greater understanding of the breadth and scope of "to be an efficient and well-trained teacher and a confident and helpful homemaker."

SIGMA ZETA is a national Science honor society limited to upperclassmen. At the present the chapter of Mansfield is inactive.

Musical Organizations

The musical organizations are so planned as to provide musical experience and additional musical instruction for students at their various levels of achievement. For this reason these groups differ materially from year to year. They all attempt to develop a high standard of ensemble technic and musical taste among the members, as well as to acquaint them with standard works of music literature.

Included among the instrumental organizations are the **Orchestra and Band**, and various **Chamber Music** groups, as well as such **Practice Groups** as are needed to prepare students for the more advanced ensembles. While planned primarily to meet the needs of the students in the Music Education Curriculum these organizations are always open to qualifying students from other departments.

Students majoring in Music Education are divided into two **Choral Organizations**, one made up of Freshmen and the other of students from the three upper classes. Additional choral groups are the **Madrigal Singers**, a selected group of eight singers who make a special study of music of the sixteenth and seventeenth centuries; the **Women's Chorus**, for women students from the Elementary, Secondary and Homemaking departments who can meet the minimum

vocal requirements and a Men's Chorus whose membership is drawn from all departments of the College

RELIGIOUS ORGANIZATIONS

The Y.M.C.A., to which all men students are invited to join, seeks to develop the individual spiritually, morally, and socially. In the past inspiring programs of music and pertinent discussions have been conducted weekly.

The Y.W.C.A. welcomes all women students to its weekly devotions each Thursday at 6:40 p. m. in the Y.W.C.A. Rooms. At these meetings suitable programs are provided. This organization strives to develop spiritual, moral and social relationships among individuals. The Y at Mansfield is affiliated with the Student Christian Movement and campus leaders participate in the various area planning conferences scheduled by this national association.

DEPARTMENTAL CLUBS

The Association for Childhood Education is an organization for all elementary students and faculty of the Elementary Department. Monthly meetings are held and the purposes of the organization are to discuss topics of common interest; to promote closer fellowship among the members, and to help the members become better teachers.

The Music Educators Club is an organization composed of all students in the Music Education Department. The purposes of the club are to create a greater interest in Music Education and to discuss common interests and problems. The club meets monthly.

Omicron Gamma Pi is an organization for all Home Economics students. The meetings, which are held once a month, consist of lectures, reports, and news in the field of Home Economics. A member of the American Home Economics Association, the organization keeps in close touch with national activities in its field.

The **Secondary Education Club** was formed in April, 1943, and is the newest organization on the campus. Any one enrolled in the Secondary Department is eligible for membership. The monthly meetings serve to further the purposes of the club which are to promote the interest in Secondary Education, to discuss common problems, to learn of new developments in the field, and to develop fellowship among the members.

SPECIAL INTEREST ORGANIZATIONS

The **Art Club** is an honor society for persons who attain the grade of A in one semester of Art. An affiliate of the Eastern Arts Association, it promotes an appreciation of the fine arts through the examination and creation of artistic things and sends delegates to the annual conference. Of particular interest and value are work meetings, which influence the development of individual talent.

The **College Players** is one of the most vital organizations on the campus. Students interested in acting are selected after try-outs while those interested in costuming, make-up, or staging may make application by letter. Two plays

are presented each year and monthly meetings are held. Cooperation is the key word for the Players, a quality inherent in the group and its relation to campus life.

The **M Club** is made up of men who have earned a varsity letter in one or more intercollegiate sports. Its purposes are to encourage wholesome living and good sportsmanship and to stimulate interest in athletics.

The **Women's Athletic Association** aims to create an interest in sports, recreational activities, and tournaments. This organization sponsors many activities and the members are privileged to use the equipment which is owned by the Association. The climax of the athletic year is the annual W.A.A. break-fast held each spring.

PUBLICATIONS

The **Flashlight**, the College newspaper, is published once each month. It is published for the student body and is composed of articles of interest about the students and their activities on the campus. Any student interested in newspaper work may become a member of the Flashlight Staff by writing a letter to the editor of the paper stating his qualifications and the type of work which interests him. All students and faculty members receive the Flashlight.

The **Carontawan**. The college yearbook at MSTC is the Carontawan, which is an Indian expression meaning "little town on the hill." It is dedicated to student

life at Mansfield and is published by a board representing all departments and classes. Every member of the Mansfield Cooperative Government Association receives a Carontawan.

The Password, the student handbook, is published annually by the Student Council and dedicated primarily to the Freshmen. It is a compilation of information about the College and life at M.S.T.C.

ASSEMBLIES

Assemblies for the entire student body, the faculty, and others are held every Tuesday at 2:00 p. m. in Straughn Hall. Their primary purpose is to supplement the work of the classroom. Assemblies not only give the students an opportunity for developing sound appreciation of the various fields of learning and the arts, but also give the student an opportunity to participate in such programs. Regular attendance makes for better scholarship and more successful living.

ARTISTS COURSES

The college conducts two excellent artists courses—the Assembly course and the Auditorium course. The Assembly course is designed to vary the student participating activities of the assembly period; the Auditorium course intended to provide cultural experiences on a high level. The college attempts to secure the finest lecturers, musicians,

dancers, and actors obtainable; and during the past several seasons has been fortunate in scheduling such attractions as Jean Carlton, Roland Hayes, William Masselos, William Gephart, Dorothy Canfield Fisher. Dr. Henry Seidel Canby, Dr. William Kirkpatrick, the United States Navy Band, the Graff Ballet and Don Cossack Chorus.

Admissions to these programs is covered by the Student Activities Fee.

MOTION PICTURES

Friday evenings at 8:00 p.m. motion pictures are shown in Straughn Hall. Not only are the finest pictures in the fields of entertainment and education presented on the College screen as part of the Auditorium program, but also newsreels and travelogues are scheduled as an adjunct to the Assembly program. They are a valuable enrichment to the social and academic life on the campus. Admission is covered by the Student Activities Fee.

THE COLLEGE COMMUNITY VESPER SERVICE

Each year four Vesper Services are arranged by the College in cooperation with the local churches and are held at 4:30 o'clock in the afternoon in Straughn Hall. The programs consist of addresses by well-known clergymen, representative of all faiths; non-sectarian devotional exercises and special music. The Music Education Chorus presents a Cantata each year at one of these services.

Failure to achieve a C average during such probationary semester will necessitate a request for the the student's withdrawal from the college.
4. Students with a point average below C for two consecutive semesters shall be advised to transfer to another institution, enroll in a different curriculum, or make some other appropriate adjustments.

IV. Dropping Subjects and Changing Courses

1. No course shall be dropped without a penalty grade of F after the fourth week of a semester; prior to such time, the student must secure the approval of the instructor of the course and the Director of the Department for such withdrawal.
